

Photography And Videography Checklist

THINGS TO CONSIDER

- Is the photographer/videographer experienced?
- Has the photographer/videographer been through any professional training?
- Are multi-camera productions available?
- Does he or she use additional microphones and audio equipment to ensure good audio?
- How many people will be involved with the production?
- Will the photographer/videographer attend your rehearsal?
- Are editing, music-dubbing and special effects available?
- Is reception coverage limited to a certain number of hours?
- Do the still pictures have good color and clarity?
- Does the photographer/videographers pay attention to detail?
- Does the photographer/videographer capture emotions and expressions of the day?
- Is their creativity in their work?
- What about special lenses and lighting?
- What about multiple exposures and split framing?
